

## Prepaid Parking Permit Procedure

Below you will find a colour parking permit specifying details of your event and the date(s) it is due to take place.

Please ensure the permit is being used on the correct date(s) displayed on the permit, printed in colour with your registration added to ensure they are valid.

### **Car park contractual breach charges**

Contractual breach charges will be issued where a car park user has failed to:

- Clearly display an appropriate colour permit,
- Park incorrectly (Users of the car park must park in a designated bay within bay markings)
- Not including a valid registration for the parked car on the displayed permit

The contractual breach charge is £80 but will be reduced to £40 if paid within 14 days of the issue of the ticket. Methods of payment and contact details are included on the charge notice.

**Disabled badge holders** only are authorised to park in disabled bays. Blue badge holders **not required to display a permit or any form of payment.**

### Rather Valley

**Please add registration & ensure the permit is in colour**
